

[Guidelines for recording your presentation using PPT] - Plenary Session & Free Paper -

KDDW 2021 will be held virtually from November 18 to 20, 2021 (3 days). Presentation files will be received in advance and streamed at an allocated time (Korea standard time). Q&A will be live after streaming of the presentations. The following guidelines are to assist you in preparing your presentation. Please understand that we may ask you to record a new video if it exceeds the time limit or has quality issues. (Live Q&A guidelines will be sent on early November.)

Submission Deadline: **October 29, 2021**

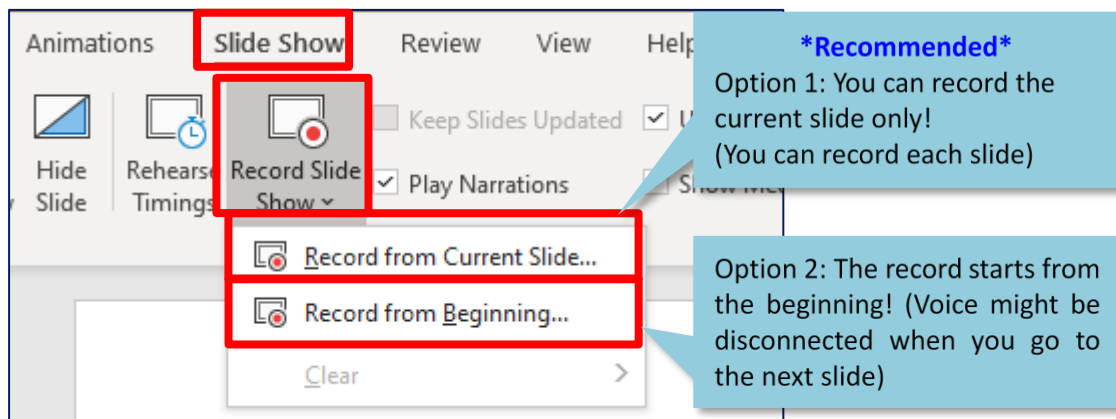

1. Basic Rules

- ① These recording guidelines provide a basic description of Windows versions 2013-2019.
 - ② As for the aspect of your presentation slides, a ratio of **16:9** screen format is recommended. (Save in **MP4 format**)
 - ③ Use a common font such as Arial, Times New Roman, etc.
 - ④ Before you start your lecture, please introduce yourself briefly (name, affiliation, presentation title, etc.).
- ※ Download template file here if necessary: http://people-x.com/kddw2021/KDDW2021_Oral_Template.pptx
- ※ If you are not familiar with recording using PowerPoint, you can also record using Zoom.

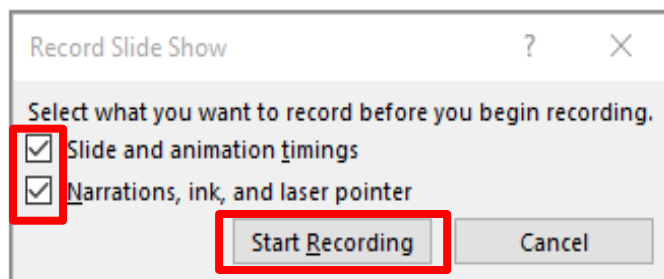

2. Record a Slide Show [\[Further Information\]](#)

- ① Set up your microphone.
- Please make sure that your microphone is plugged in and ready to record.

- ② Go to the **Slide Show tab** and click the **Record Slide Show**.

- ③ Leave both options checked to record audio and timings for the entire presentation.

- ④ Make sure you're ready before you click Start Recording. As soon as you click on it, PowerPoint will go into a full screen presentation view and begin to record your screen and audio.

3. During Recording

- ① In the upper left corner of the window, you'll see a recording window with a runtime counter and other buttons. Use this to keep track of the length of your presentation.

* The recording screen may look different depending on the MS Office version

※ **Note:**

- When moving to the next slide, recording will pause automatically.
- When you finish talking, please pause a moment before moving to the next slide and re-start.
- If you go to a previous slide during recording, the recording will be deleted.

- ② To end your recording, right-click the final slide, and click **End Show**.
When you finish recording, a sound icon is automatically generated in the lower right corner of each slide.

4. Save (.mp4)

- ① Once your presentation is complete, export the PowerPoint file as a video.
- ② Please select the **"Full HD (1080p)"** and **"Use Recorded Timings and Narrations"** option.
- ③ Click File → Export → Create a Video (.mp4)

5. Review (★ Important ★)

- ① Please review the video from start to finish to check if there are any errors.
- ② Be sure to check all the problems with the lecture video quality, voice, video loss, etc.
If there is any problem with the lecture video, the secretariat may ask you to record the lecture again.
